

Heavy Equipment Operator

Rogue Stone
Orillia and Kawartha Lakes, ON
\$21 - \$27 an hour - Permanent

Quarry - Heavy Equipment Operator

Company description

Limestone Quarries located in and around Orillia and Kawartha Lakes, providing landscaping stone for construction and residential use, for established customers across Canada and the US.

Job description

- Looking for local operators to work in Rogue's Limestone Quarries- Orillia (near Sebright), Bobcaygen (near Nogies Creek) and Shadow Lake (between Norland and Coboconk).
- Must be safety focused, hard working and function well within a team
- Need prior experience operating excavators, loaders or haul trucks. Rotating through a variety of machines and duties means there's lots to do and learn;
- Preference for operators with Surface Miner and Heavy Equipment Common Core;
- Previous quarry or pit experience is not essential but will be considered an advantage.
- Comp will be \$21-27/hour, with the potential to extend benefits
- Training will be provided for all successful candidates.
- Potential to "graduate" to Site Supervisor within the group of Quarries
