VANCOUVER, B.C. – Rogue Resources Inc. (TSX-V: RRS) ("Rogue" or the "Company") announces that, subject to regulatory approval, it has closed its previously announced non-brokered private placement financing (the "Offering").

The Company issued a total of 2,000,000 flow through units (the "FT Units") and 4,757,500 non-flow through units (the "NFT Units") for a total of 6,757,500 units and gross proceeds of \$580,600. All shares were subject to a statutory four month hold period.

The Offering consisted of FT Units and NFT Units on a best efforts basis at a price of \$0.10 per National FT Unit or Quebec FT Unit and \$0.08 per NFT Unit. Each Quebec or National FT Unit consisted of one flow through common share and one-half of one non-transferable warrant. Each NFT Unit consisted of one common share and one non-transferable common share purchase warrant. Each whole warrant entitled the holder to purchase one common share at an exercise price of \$0.12 for 24 months following completion of the Offering.

Total finder's fees in the amount of \$26,992 and 302,400 compensation warrants were paid in respect of these funds.

The proceeds from the issuance of the FT Shares will qualify as Canadian and/or Quebec exploration expenses which will be renounced to investors no later than December 31, 2014. The Company intends to use the net proceeds of the Offering primarily for expenditures on the Company's East-West Gold property and for general working capital.
